(7) calendar days from the date of notification that emergency repairs are needed, liquidated damages in the amount of One Hundred Dollars (\$100.00) per calendar day will be charged against the Contractor for each calendar day beyond the allotted time as stated above for which he fails to respond to the call for emergency maintenance and repair work.

Installation Notification

When the contractor is notified that a new installation of either guardrail or guiderail is necessary work shall begin within thirty (30) calendar days of notification. In the event that the Contractor fails to respond within the specified period that a new installation is needed, liquidated damages in the amount of Two Hundred Dollars (\$200.00) per calendar day will be charged against the Contractor for each calendar day beyond the allotted time as stated above for which he fails to respond.

BOND REQUIREMENTS – No Bonds Required

(06-01-16)

SPD 01-420B

The provisions of Articles 102-10 and 103-7 of the 2012 Standard Specifications for Roads and Structures are waived for this project. No bonds required.

PAYMENT:

The Contractor may submit a request for partial payment on a monthly basis, or other interval as approved by the Engineer. Compensation for all pay items shall be in accordance with the *Standard Specifications*. The amount of partial payments will be based on the work accomplished and accepted as the last day of the approved pay period.

Request for payment shall be made by Contractor’s Invoice submitted to:

**NC Department of Transportation
Attn: Debra Roberson
1701 W 5th Street
Washington, NC 27889**

All invoice items and unit costs shall correspond to contract pay items. In the event of error or discrepancy in items or unit costs, the Department may return the invoice to the Contractor for correction.
